

INTERVIEW: STORY RETELLING
CHILD RESPONSE SHEET

Child's Name: _____

Directions: Give each child the set of four (4) *A Good Pick* picture cards. Ask each child individually to retell the story using the picture cards. **Note:** The child must put the cards in order as well as orally tell you the story.

- 13. Did the child put the story picture cards in order?
- 14. Did the child retell the story in a coherent manner, covering at least three of the four main points?
- 15. Did the child provide details about at least two of the pictures or another aspect of the story?

<p>Main Points of Story</p> <p>___ Girls have a plan: Sell lemonade to help people who were hurt by the storm.</p> <p>___ Plan does not work because nobody bought the lemonade (weather was too cold).</p> <p>___ Pablo said his mom could make a hot drink (apple cider) and she did.</p> <p>___ Many people bought the cider so they made money to help the people.</p>
