Tuition for the CPS 2009-2010 school year will be $9,120 or $10,070. Applications submitted without the deposit will not be considered. The payment must be in the form of a check or money order and should be made out to: CPS Tuition Based Program; cash **will not** be accepted. Your child's name should be written in the memo section of the check. *This deposit will **only** be returned to you if there is no place for your child at this school or if the proposed program does not open.* **If you choose not to enroll your child in the program for any reason, the deposit will not be returned.**

NOTE: The tuition for children entering as three-year-olds and returning as four-year-olds will remain the same. For example, three-year-olds entering the TBP program in September 2008, whose parents are paying $225 or $250 per week, will not have their tuition increased in 2009-2010.

Terms and conditions of enrollment: In order for a child to be enrolled in the TBP program, the child must be at least three (3) but not yet five (5) years old on or before September 1, 2009, and toilet trained when the program begins.

Payment schedule information: Tuition payments may be made on a biweekly or monthly basis beginning in August 2009, through the SMART Tuition Management System (SMART).

I understand that I must ensure that tuition payments are up-to-date at all times. Late payment fees of $100 will be assessed for payments not made on schedule. Continued late payments will result in my child's termination from the program. I have read the above and confirm acceptance of the stated terms for enrollment in the Tuition Based Preschool (TBP) program of the Chicago Public Schools.
